

INTERNAL POLICY: Business Continuity Planning (BCP)

1. Purpose

1. This policy ensures the institution maintains operational resilience and continuity of critical business functions during disruptive events.

2. BCP Testing Requirements

1. Business continuity plans shall be tested and reviewed on a biennial basis (every two years) or following any significant organizational change.

2. All BCP tests must be documented with results, gaps identified, and remediation timelines approved by senior management.

3. Recovery Time Objectives

1. Critical trading systems must achieve a Recovery Time Objective (RTO) of no more than 4 hours following a disruptive event.

2. Non-critical systems must achieve an RTO of no more than 24 hours.

3. Recovery Point Objectives (RPO) for all critical data shall not exceed 1 hour.

4. Emergency Contact and Notification

1. In the event of a significant business disruption, the institution shall notify FINRA within the time frame required under Rule 4370.

2. An updated emergency contact list must be maintained and reviewed quarterly.
